CAMP MSB

01 OCTOBER 1999

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: California Army National Guard (CAARNG)

1. The CAARNG Formularies approved by the State Surgeon are hereby provided. These approved formularies are based on pharmaceutical requirements provided at the appropriate level of health care as published by the State Surgeon. They are published in accordance with the Army National Guard Policy on the Management of Pharmaceutical in Medical Elements found in SB 8-75-10, dated 20 October 1998. The formularies contain the following information designed to facilitate understanding between the health care providers and supply personnel:
 - a. National Stock Number
 - b. Nomenclatures
 - c. Unit of Issue
 - d. Level of Health Care Provider
2. Previous editions are superseded. Recommended additions or deletions to these formularies are encouraged. Those recommendations are to be mailed to: State Surgeon, CAMP-MSB, 9800 Goethe Rd, P.O. Box 269101, Sacramento, CA 95826.
3. POC is CPT Senior at CML (916) 854-3269, DSN 466-3269, or Cagnet 63269.
